- 1 - I don't think so re: NEXT - few finserv meetings... I have a lot of press and partner stuff this time around
- 2 - I don't know the difference... I know they are massively oversubscribed with customers, so I doubt it will be a successful ask as we still have a lot of customers on the waitlist, but no objection to asking as long as it doesn't decrease a customer's chance of getting in

- Hi Tariq,
2 quick questions -- I pinged you on HO, but in case you miss them, putting them here as well.
1. is there any client mtgs you want me to join you at Next?
 2. it looks like they only gave me a limited pass for leaders circle, any objections to me asking for a full pass?
- (i am leading the financial services track at LC, but looks like that is the only session i will be able to attend)

Thanks
